- **Role:**

Wayne is a director of Fiscal Engineers and our Chief Executive Officer. Having worked for one of the big four accountancy firms for over 30 years, Wayne's experience places him in the perfect position to steer and implement Fiscal Engineers' business strategy and development. He oversees operational activity, which includes our tax strategy, people, process, compliance and risk.

- **Qualifications:**

Fellow Chartered Accountant (FCA).

- **Memberships:**

Institute of Chartered Accountants in England and Wales (ICAEW).
